

## Gideon's Story

In Judges 6 and 7, we learn about the story of Gideon. He is charged by God to lead the nation of Israel in battle against the huge Midianite army to set the Israelites free from the oppression they are experiencing. Gideon recruits an army of 32,000 but God says that is too many and after a couple of test leaves Gideon with 300. God's reason was so that Israel realized that God would give them the victory and it wasn't anything they could do on their own. Gideon's army of 300 is victorious over their enemy with the help of God.

We too are in a battle that we cannot win on our own. It is the battle for our campuses against our enemy Satan. We are asking God to give us an army of 300 that will help us reach coaches and athletes for Christ. The FCA 300 is made up of individuals, churches and business that commit to donate \$100 per month for three years. With teammates like you we will be able to share stories of the eternal impact that God makes on our area campuses, fields, and locker rooms.
